Engineers Talk Of Okeechobee Level

Colonel Herman W. Schull, Jr., District Engineer, Jacksonville District Corps of Engineers, announced today that dredging to remove shoaling in the channel of the St. Lucie River, which has resulted from several months of heavy discharge from Lake Okeechobee, would begin today (December 28th). Dredging will be completed by about January 18th, according to terms of a contract recently awarded by the Corps of Engineers to Brinson Construction Company of Tampa.

Schull further stated that regulatory discharge from Lake Okeechobee through the spillway at St. Lucie lock would be necessary at the present maximum rate until about January 15th.

Lake Okeechobee now stands at 16.1-feet (December 28th) above mean sea level. The maximum level considered desirable at any time is 15.5 feet. The lake can be lowered to the 15.5-foot level by mid January if rainfall is normal and the present trend of lake-stage reduction continues, Schull said.

It was also explained that while the Army Engineers earlier predicted that the level of Lake Okeechobee would be lowered to the 15.5-foot level by January 1st, rainfall in the Kissimmee River Valley, with resulting increased inflow to the lake, has caused a delay of some 15 days in reaching the desired level. Heavy rainfall was general over the Kissimmee River Valley on November 25th, which caused inflow to the lake to rise to nearly 3,000 cubic feet a second more than would have resulted had the rain storm not occurred. Present inflow to the lake totals 6,500 cubic feet a second, as compared to total outflow of 12,200, Schull stated.

Blue Devils Look To Tough Schedule

The Pahokee Blue Devil basketball team, after a lull through the holidays, will resume activities on their schedule this coming week when they meet two tough opponents, the Seacrest Seahawks, Tuesday night, and the Vero Beach Indians, Friday night, on the local court.

After dropping their first two games to Pompano and Fort Pierce, Coach Bill Howard's Blue Devils showed surprising strength and promise by defeating the Lake Worth Trojans, the defending Suncoast Conference Champions, on the night of Dec. 18 in the last game before the holidays. Four Pahokee Blue Devil first string football players, Donald Waddell, Tommy Elliott, Buford Justice and Robert Goodson, have switched from football to basketball with apparent ease and are accounting for the growing strength of the Blue Devil quintet. Waddell is among the top individual scorers in the conference.

CHRISTMAS PARTY

The Pahokee High School Senior Class enjoyed an outdoor Christmas party and wiener roast at Port Mayaca. Room mothers, acting as party hostesses, included Mrs. F. M. Wilson, Mrs. H. T. Williams, Mrs. O. D. Carpenter, Mrs. Wade Ammons, Mrs. James Miller and Mrs. Homer Barnes.

Council To Open Bids On Sidewalks

The Pahokee City Council Monday night called for a special meeting to be held in the city hall at 8 p. m., Jan. 4, when bids for the construction of new city sidewalks will be opened.

The first of the new sidewalks will be built in the blocks between First and Second Streets on Annona, Banyan and Cypress Avenues. The only property owner in the area who is building his own concrete walk according to the city's specifications is Price Burdshaw at 113 Cypress Ave. The city will build the remainder of the walks in the area and assess the property owners for the cost of the walks on their property.

Construction work on the project will start immediately following the opening of the bids and the awarding of the contract.

Local Artists On Picnic Program

Mrs. Christine Jones and daughter, Miss Evelyn Jones, and Kenneth E. (Smiley) Williamson, all of Canal Point, were among the entertainers who donated their talents at the Aunt Jemima Pancake Picnic held at Hypoluxo Saturday and Sunday for the benefit of crippled children.

Mrs. Jones and daughter, performing as "Chris and Evelyn", the harmonica harmonizers, played harmonica duets.

Smiley, an eighth grade student at the Canal Point School, played the guitar and harmonica and sang hillbilly and folk songs. After giving a performance at the pancake picnic Sunday morning, he accepted an invitation to appear as guest artist on the "Yard Bird" radio program broadcast over Station WTRK from 12:05 to 12:45 p. m. He joined the Yard Birds with his guitar in their musical numbers and sang two songs, "Free Home Demonstration" and "Old Lonesome Road Blues".

PTA ON MONDAY

The Canal Point Parent-Teacher Association will conduct its January meeting in the school auditorium Monday, Jan. 4, at 8 p. m. President Phelix A. Slonaker will preside.

Legion Clears \$250 On Turkey Shoot

The Pahokee American Legion Post 90 cleared approximately \$250 from its Benefit Christmas turkey shoot, according to a report given by R. M. (Mike) Sanders at the weekly meeting of the Post 90 in the Legion Hall on East Main Monday night. Ralph O. Johnson was chairman of the committee in charge of the project.

Sellers Promoted By Southern R'y way

Terry Sellers, long-time resident of Pahokee and commercial agent for the Southern Railway since Oct. 1, 1934, has been promoted to District Freight and Passenger Agent in charge of the Lake Okeechobee Territory for the Southern Railway System. Before coming to Pahokee Mr. Sellers had eight years experience with another railroad. His promotion is effective Jan. 1 (today) and his office will be located in Belle Glade but he will maintain his residence in Pahokee where he and his family own a home on Annona Avenue.

Another change announced by the railroad company effective the same date is the appointment of Charles E. Maynard, commercial agent in Belle Glade, to be Freight and Passenger Agent at Orlando. Mr. Maynard came to the Lake area and was assigned to Belle Glade on Oct. 1, 1934. He and Mrs. Maynard will move to Orlando.

P. J. Cartwright has been named commercial agent in Belle Glade to succeed Mr. Maynard.

Elementary School Has Big Increase

The enrollment of first grade pupils at the Pahokee Elementary School has increased from 61 at the start of school in September to around 90 at the present time, according to Principal Clyde A. Canipe.

The first graders since the start of school have been divided into two school rooms, Mrs. Sue Shirley teaching one group and Mrs. Myrtle Brooks, the other. The increased number of pupils, however, makes a reshuffling of the first graders into three divisions necessary to maintain teaching efficiency, Canipe said.

Plans are being made to remodel the projection room at the school for use as the school room for the third division of the first grade when school re-opens after the holidays. Mrs. Clois McIntosh has been recommended to the County Board of Public Instruction as teacher for the new group of first graders.

Picture Scheduled By Pahokee Baptists

Mr. Texas, the world's first Christian western and starring world renowned Redd Harper will be shown Thursday, January 7th at the First Baptist Church of Pahokee. This picture which was produced by Billy Graham and directed by Dick Ross, and is one of the most popular religious films in America today.

Methodists Plan Educational Bldg. At Cost Of \$75,000

Construction of a new \$75,000 educational building for the Pahokee First Methodist Church School was approved by the church membership in an open meeting and discussion following the morning worship service Sunday.

Sketches of tentative plans for the new building, drawn up by Chester A. Cone, architect, were distributed to members at the meeting. These plans, yet to receive final approval by local and district church officials, call for a U-shaped, one-story building to be built around the back and two sides of the church sanctuary with 35-foot courtyards to separate the new building and the sanctuary on all sides.

Dimensions of the section to be built on the west side of the sanctuary will be 158 by 31 feet and on the north side or back of the sanctuary, 192 by 31 feet. A memorial chapel, 33 by 22 feet, is being planned for the east side.

The new building will contain separate space for the school's nursery, kindergarten, primary, junior, intermediate, senior, and adult departments, each department to have its own assembly hall and classrooms. In addition, there will be a 61 by 30-foot recreational and social hall with a stage, a kitchen, library, secretary's office and rest rooms in the structure. A covered passage will run the entire inside length of the two sections of the educational building.

The building committee, under the leadership of Max E. Beverly, who served as chairman the past year, has already raised over \$15,000 for this project. At the Sunday meeting the membership voted to launch a fund-raising campaign for the new building in May, when pledges of contributions to the building fund over a three-year period will be solicited.

This campaign will be under the direction of Lewis Friend, new chairman of the building committee, and members of his committee. Bishop John Branscomb will come to Pahokee in May to get the campaign started, according to Dr. Rembert A. Guy, pastor. Under present plans construction will get under way next summer.

Special Car Tags For Canal Point

The new car tags telling of Canal Point and its magic soil are on sale at Hooks Grocery and Echols Grocery in Canal Point for a dollar. The tags are done up in attractive colors and make a very pretty addition to the front of an automobile. The next time you go by either store, why not stop by and purchase one of the tags.

One of the most attractive lounges of any hotel in Florida is found in the world-famous Clewiston Inn. The walls are covered with an original mural of Everglades wildlife, finished on canvases and scientifically detailed.

Mrs. Joyce Wright has returned to her home in Port Mayaca from the Everglades Memorial Hospital.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Greer Garson likes to keep busy. By her own admission, the only time in her life in which she was genuinely unhappy was the first twelve-month period during which she was under contract in Hollywood. "I had nothing to do," she says. "M-G-M had brought me over from London, and for almost a year they were seeking a suitable role for my Hollywood debut." Just as Miss Greer's original contract was about to expire, the studio sent her back to England for the feminine lead opposite Robert Donat in "Goodbye, Mr. Chips." Since then, and following her academy award-winning role in "Miss Miniver," she has been happily active. The star's ability to fill her calendar with more assignments than the normal day allows was best illustrated during World War II on a bond selling tour. Miss Garson asked the studio to release her from her contract so that she might concentrate entirely on bond selling. It was pointed out to her that both as a morale factor and as added appeal to her bond selling, she could best serve by continuing her career. It was expected, but only by those unfamiliar with the star, that after her marriage to Texas businessman, E. E. Fogelson, Miss Garson would retire from the screen. On the contrary, with the same spirit she brings to every project, she developed new interests, both in her husbands work and in allied fields. Starting with a half dozen cattle, the white short-horn breed which she bought in Scotland, Miss Garson became much more than a "lady farmer." Among other cattle breeders she is now rated as one of the experts on that particular breed. As a latest interest, Miss Garson and her husband recently acquired ownership of a Sante Fe newspaper. They promptly staffed the paper with alert young war veterans and, according to Miss Garson, "Things are really humming." See you at the movies—Mal.

Frances Marion Crews Weds Gerrold Schmidt

Miss Frances Marion Crews, daughter of Mr. and Mrs. George M. Crews of Pahokee, and Airman 1-c Gerrold Irvin Schmidt, Jr., son of Mr. and Mrs. G. I. Schmidt of Randolph, Wisc., were married at the Pahokee First Baptist Church Sunday, Dec. 20, with the Rev. W. Hal Hunter, pastor, officiating at the double ring, candlelight ceremony at 4 o'clock in the afternoon.

The church altar was decorated for the service with arrangements of gladioli and chrysanthemums against a background of palms and was lighted by tall, cathedral-type tapers in branched candelabra.

The program of nuptial music was presented by Miss Mary Womack, pianist, Farris Kincaid and Robert O. Lampi, vocalists.

The bride was in a gown of white chantilly lace over satin which was fashioned with fitted bodice, scalloped neckline, long, pointed sleeves and a full skirt extending into a long train. Her nylon net veil fell from a tiara of seed pearls and she wore a single strand of pearls; a gift from the bridegroom. She carried a bouquet of red roses centered with white orchids.

The bride's sister and maid of honor, Miss Mary Ellen Crews, wore rose nylon net over taffeta fashioned with strapless fitted bodice, lace bolero and full skirt. The

bridesmaids, the Misses Betty Bush, Charlene Stuckey and Marcia Jean Guthrie, wore identical gowns of blue nylon net over taffeta similar in design to that of the maid of honor. Each had lace mitts and carried sprays of white blossoms. Verlon Jones, flower girl, also wore a gown of blue nylon net over taffeta fashioned like those of the other attendants.

Joe Loscoy of West Palm Beach served as best man. James E. Turner, Lewis W. Billups and Roland J. Gellinas, all of West Palm Beach, were ushers.

At the reception in the Woman's Club building following the ceremony, the receiving line included the newlyweds, the bride's parents and the bridegroom's mother.

After the reception, the couple left on a wedding trip along the East Coast.

Miss Joyce Lovell Weds Ralph L. Hyatt

Announcement has been made of the marriage of Miss Joyce Marie Lovell, daughter of Mr. and Mrs. Dave M. Lovell of Pahokee, to Ralph L. Hyatt of Windem, N. C. The wedding took place at Tacocoy, Ga., Wednesday, Dec. 9.

The bride is a graduate of Pahokee High School, Class of 1953, and attended the Bell Hies Business College in West Palm Beach.

Mr. Hyatt graduated from high school in North Carolina and at present is engaged in the vegetable produce trucking business.

Following a visit with relatives in North Carolina through the Christmas holidays the couple plan to make their home in Pahokee through the winter season.

**Recommended control
of wireworm and
other soil pests
... on all Florida
vegetable crops**

aldrin

LAST YEAR aldrin established a fine record of soil pest control on Florida corn, sugar cane and sweet potatoes. Now aldrin is recommended by Florida Experiment Stations for use on every important vegetable crop in the state.

Aldrin gives you these important control advantages:

1. Powerful killing action—all-season freedom from soil pest damage with just one application.

2. Chemical stability—Aldrin remains stable regardless of the pH of the soil (acid or alkaline). This stability holds even when aldrin is mixed with fertilizer.

3. Can be used two ways—in an aldrin-fertilizer mix, or sprayed directly on the ground and harrowed in.

4. Low per-acre cost—a direct result of aldrin's high killing power.

So—for healthy crops get aldrin. Your fertilizer or insecticide dealer can supply you.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County Commissioners have forwarded to the State Road Department a petition by a number of Belle Glade and Chosen residents who protested the excess dust on State Road 717.

County Commissioner Paul Rardin said the road is under construction by State road crews and the dust is a result of the improvements being made. He recommended the petition be forwarded to proper authorities.

Rardin joined other commissioners to comment on the purchase price of certain right of ways the county acquired Monday. He questioned the good business involved in purchasing some State Road 9 rights within West Palm Beach at a cost of \$19,000 when the actual assessed value of the land is on the county books at \$1,700.

He was a bit hesitant again when he learned that a right of way strip bought for \$1,700 cost the county an additional \$629 in court costs.

Commissioners approved purchase of three strips of land for US Highway 1 all in the northern part of the county, a section for the Jupiter Beach Park and authorized the county to gain other right of way for SR 9 in West Palm Beach.

Bids for construction of a pavilion at Lake Ida Park were opened with Hertz Construction Co. indicated as low bidder. The bid was \$4,400.

Planned to meet Dave Turner, member of the State Road Board, at Ft. Lauderdale Tuesday to pre-

sent the county's 1954 road budget.

In other action the board:

Refused to approve a plat for the second successive meeting because the subdivider failed to complete roads and drainage culverts as required by the county specifications.

Planned to have dedication ceremonies for the remodeled wing of the county court house and the Port of Entry building at the airport for the second week in January. County Engineer Steve Middleton reported the wing will be complete this week and the port of entry headquarters next week.

Received and opened bids on gasoline, lumber, laundry equipment and the pavilion.

Approved immediate use of \$60,000 allocated for beach erosion work in the Town of Palm Beach south of the Palm Beach Inlet. Matching funds will be spent by the town. Both the board and the resort have asked the State Water Conservation board to use state funds will be spent by the town. Both the board and the resort have asked the State Water Conservation board to use state funds to aid in engineering costs for the location of a permanent sand transfer plant south of the inlet.

Noted a report by Middleton that the new agricultural headquarters is progressing rapidly and is close to 25 percent complete.

Mrs. E. H. Walston entertained at her home, 947 East Main, with a Christmas Eve party honoring her son, Herbert Walston, U. S. Navy, who is stationed at Newport, R. I. and is spending the holidays with his parents in Pahokee before being released from the Service next month.

The hostess used the Yuletide motif in decorations and served a barbecue dinner to the following guests: Mr. and Mrs. John T. Pickett, Jr., Mr. and Mrs. Ray Hawk, Jr., Mr. and Mrs. Bill Davenport, Mr. and Mrs. John Hatton, Mr. and Mrs. Ray Watson, Mr. and Mrs. Milton Salvatore, Mr. and Mrs. James Barnes, Mr. and Mrs. Kenneth Johnson, Miss Bobbie Frieron, Miss Shirley Watson, Lennie Stuckey, George Arceneaux, Jr., Leland Shirley and Herbert Walston.

Hal Hunter Speaks To Pahokee Lions

The Rev. W. Hal Hunter, pastor of the Pahokee First Baptist Church, was guest speaker at the Tuesday luncheon meeting last week of the Pahokee Lions Club. Introduced by M. P. Stanley, program chairman, the speaker gave a talk on "How Christmas is Observed in Various Countries."

Club members brought to the luncheon gifts suitable for the children at the Pahokee Housing Authority's labor supply camps which were opened and displayed at the meeting before they were sent to the camps for distribution.

The luncheon was followed by the annual Lions Christmas party for the children of the community, with Santa Claus present to distribute Christmas goodies to approximately 1,000 children in the city park and the Negro residential section.

Classmates Are Entertained

Miss Geraldine Tibbitts entertained at the home of her brother-in-law and sister, Mr. and Mrs. Cecil Gray, with a Christmas party for a group of Pahokee Junior High classmate friends.

Holiday games were enjoyed and contest prizes were awarded to Eva Gail Guthrie, Tinky Culbertson and Glenda Anderson. The hostess was assisted with the entertaining by Mr. and Mrs. Gray.

At the conclusion of the party Geraldine and her guests went caroling through the city streets.

Mr. and Mrs. Dean Wilson, former Pahokee residents now living in Atlanta, Ga., announce the birth of a daughter, Doretta Lee, at Georgia Baptist Hospital in that city Dec. 20. Mr. and Mrs. John E. Wilson of Pahokee are the paternal grandparents.

Milk Containers Go Up In Smoke

TAMPA—A half million dollar stock of sorely needed cans and paper milk containers went up in smoke last week, just a few hours before they were to be delivered to processing plants.

The critically needed containers were stored in the strikebound of the American Can Company, where the fire started. Two other industrial plants were destroyed by the fire which caused a loss of over a million dollars.

Origin of the fire is unknown, but Mayor Hixon ordered an immediate investigation of "possible arson."

The warehouse had been picketed by the CIO and the cans were to have been removed under an injunction order from Judge I. C. Spoto.

Christian Science Group Of Canal Point

The spiritual basis of genuine peace and brotherhood will be brought out in the Lesson-Sermon entitled "God" which will be read at Christian Science church services on Sunday.

The Responsive Reading is from King James Version of the Bible and includes the following verses: "God is our refuge and strength, a very present help in trouble . . . He maketh ways to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire" (Psalms 46:1,9).

Among the selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy to be read will be the following: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (469:30).

The following verses from the Bible will also be read: "Is not God in the height of heaven? and behold the height of the stars, how high they are! . . . Acquaint now thyself with him, and be a peace: thereby good shall come unto thee" (Job 22:12,21).

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

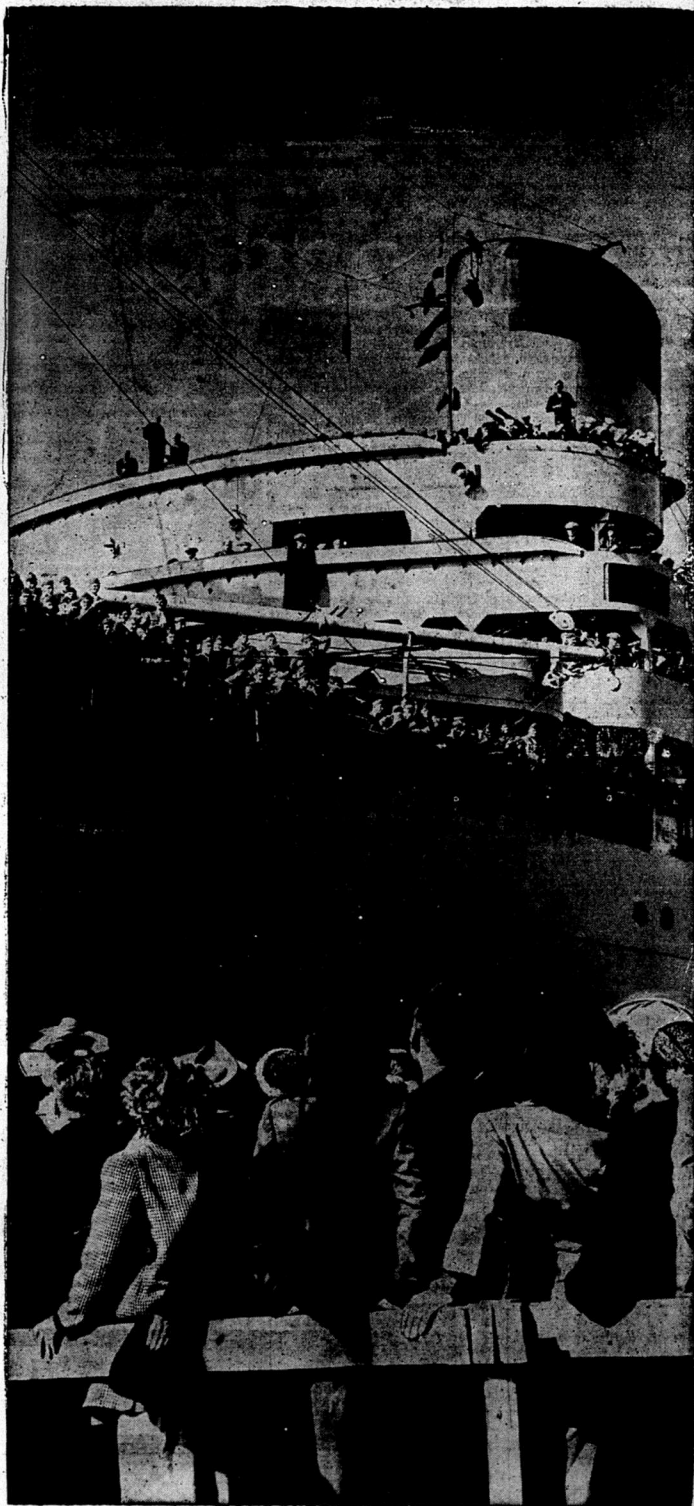

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Miss Stella Sue Barnes And Charles B. Sears Were Married December 27th

Miss Stella Sue Barnes, daughter of Mr. and Mrs. Homer S. Barnes of Pahokee, became the bride of Charles Bruce Sears, son of Mr. and Mrs. H. Harlan Sears of Canal Point, at a double ring, candle-light ceremony held at the Pahokee First Baptist Church Sunday, Dec. 27, at 3:30 p. m.

The vows were read by the Rev. W. Hal Hunter, pastor, as the couple stood before the altar which was banked with evergreen trees and decorated with baskets of yellow gladioli and blue iris. Branches of candelabra were used to hold the lighted cathedral tapers.

Miss Patsy Maxson, pianist, and Miss Louise Hatton and Miss Donna Jo Spooner, vocalists, presented the program of nuptial music. Miss Hatton sang a vocal solo and was joined by Miss Spooner in the singing of a duet.

The bride was given in marriage by her father. She wore a gown of her own original design and made by her mother. It was of white satin and Chantilly lace over nylon net. The satin bodice applied with satin ribbons was fashioned with tulle yoke and long sleeves were pointed at the wrist. The Chantilly lace skirt was tiered and her nylon veil was held in place by a spray of orange blossoms. She carried a white prayer book decorated with white orchids, satin streamers and orange blossom. Her only jewelry was an heirloom ring, 140 years old, a gift from the bridegroom's mother.

Mr. Ernest James Barnes of Tampa, sister-in-law of the bride and matron of honor, wore rose iridescent taffeta, with fitted bodice, cap sleeves and matching ballerina skirt. She carried a flower spray of rose carnations with leaves of matching taffeta, sprinkled with silver.

The bridesmaids, Miss Waltraut Hull of Pahokee, in ice blue taffeta; Miss Marion Carroll of Naples, cousin of the bride, in silver taffeta; Miss Judy Starling of Pahokee, in pink taffeta, and Mrs.

John T. Pickett, Jr., in mist blue taffeta, all wore gowns of identical design, with matching head-dresses trimmed with seed pearls and ballerina skirts. Their hands were covered with mitts. They carried flower sprays of shades of pink and around their necks were strings of pearls, gifts from the bride.

Raybeth Jeanne Gray, cousin of the bride, and Dian Hollon, cousin of the bridegroom, were flower girls. Each wore mint green taffeta gowns and carried baskets filled with flower petals.

H. Harlan Sears, Jr., was his brother's best man. John T. Pickett, Jr., Bill Mizelle, Willard McCurdy and James Barnes, brother of the bride, served as ushers.

Mrs. Barnes chose for her daughter's wedding a purple velvet dress with pink accessories and a purple orchid corsage. Mrs. Sears, the bridegroom's mother, wore blue tulle with matching accessories and a corsage of white carnations.

At the reception which followed the ceremony at the home of the bride's parents on Bacom Point Road, Mrs. W. Roscelle Wilson was in charge of the bride's book. The Misses Nancy Hillier, Eleanor Walker and Ann Thompson served punch and portions of a wedding cake. Soft piano music was played during the reception by Miss Bonnie Miller.

Following a wedding trip to the East Coast Mr. and Mrs. Sears will make their home in Canal Point where he is in business with his father.

Philip Allen Dulany Has Birthday Party

Mr. and Mrs. John A. Dulany entertained at their home on Belle Glade Road Tuesday evening with a patio supper and party honoring their son, Philip Allen, who celebrates his 16th birthday anniversary Sunday.

The hosts were assisted by Philip's uncle and aunt, Mr. and Mrs. Duncan Padgett, with the serving of the supper to approximately 25 guests.
